### GRAPE VARIETY

Colombard, Grenache blanc, Terret, Roussanne et Muscat

### TERROIR(S)

The IGP Terres du Midi covers the diverse landscapes of Gard, Hérault, Aude, and Pyrénées-Orientales. From high plateaus with cool nights to sun-drenched coastal plains, every nuance of the Mediterranean climate contributes to the richness and diversity of these terroirs. Breaking away from the tradition of rich and powerful wines, Les Petites Jamelles embrace a modern style, where freshness and vibrant flavors shine. True to our values, these wines are HVE3-certified (High Environmental Value), reflecting our commitment to sustainable and respectful viticulture.

### VINIFICATION

The grapes are harvested at dawn to preserve their freshness. After direct pressing and precise settling, a slow fermentation at 15°C reveals their full finesse. A 6-month aging on fine lees perfects the balance between freshness and roundness.

### TASTING

Brilliant pale yellow color. Fresh nose with aromas of citrus and mango. Elegant palate, combining zesty freshness with notes of bergamot.

### FOOD & WINE

Serve at 8°C. Ideal as an aperitif or paired with avocado toast, a mixed salad, or white fish carpaccio. Perfect with shrimp Pad Thai and sublime with a lemon tart for a sweet and zesty finish.
