

## MOURVÈDRE ROSÉ 2018 CÉPAGE RARE

89

«Rosé wines from Languedoc are a mixed bag at present, with few as yet realising what a challenging wine style this is to make successfully.

Badet Clément has got it right, though, with this personable and vivacious pure-Mourvèdre rosé: a pretty pale pink, with a plum, strawberry and gingerbread scent. It's peppery and vinous on the palate, with enough acidity for freshness but not so much as to dominate the discreet, supportive fruit.»
