## MERLOT

PAYS D'OC

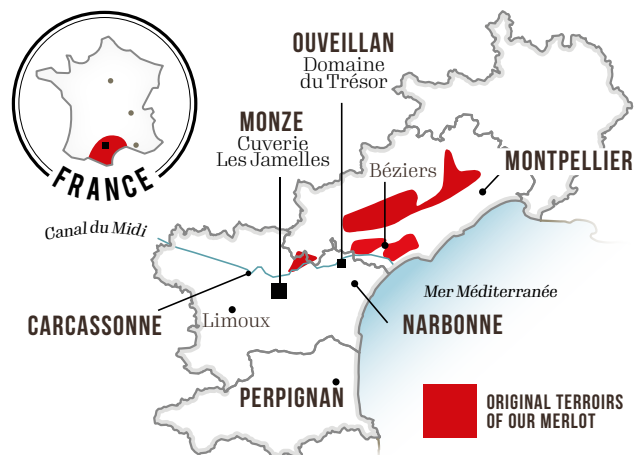

### GRAPE VARIETY

100% Merlot

### TERROIR(S)

To obtain a wine with perfect balance that is typical of its varietal, the grapes are selected from five terroirs: the flatlands in the environs of Narbonne and the Aude River plain lend richness, length and structure; those along the coastal region near Béziers, opulence and freshness; while the vines located on the slopes of the Orb Valley and the Herault's Valley mid-slope vineyards contribute roundness, velvety tannins and freshness to the final blend.

- **BALANCE AND TYPICITY, A BLEND OF WINES HAILING FROM 5 TERROIRS**
- **AREAS ON THE PLAIN FOR RICHNESS AND LENGTH, ON THE COAST FOR FRESHNESS AND ON SLOPES FOR ROUNDNESS**
- **A TYPICAL EXPRESSION OF THIS FRUITY, ROUND, COMPLEX, ELEGANT VARIETAL**

## VINIFICATION

Maceration lasts 2 to 4 weeks. A portion of the cuvée is oak aged - 2/3 French and 1/3 American - for added complexity. A small portion of the cuvée is crafted using thermovinification to boost fruitiness, roundness and suppleness.

## TASTING NOTES

Endowed with intense colour, Les Jamelles Merlot is rich, long and round. It boasts flavours of ripe fruit (cherry, wild strawberry), as well as nuances of clafoutis and caramel. Notes of cinnamon, nutmeg and even cherry tomato may also be detected. The tannins are silky and pleasing on the palate. This well-balanced, easy-drinking Merlot will be a unanimous favourite among your guests! So appealing!

## FOOD & WINE
